25 January 1960

National Institute of Mental Health
Addiction Research Center
U.S. Public Health Service Hospital
Lexington, Kentucky

(b)(3)

For your information I am enclosing copy of a letter to Dr. R. Bircher, of Sandoz, Incorporated, and copies of three tables explaining the results of our studies to date on tolerance and cross tolerance between psilocybin and LSD-25, as well as our plans for continuation of this work in the immediate future.

Sincerely yours,

Abraham Wikler, M.D.
Acting Director

AW:rn
